

Jars Of Clay "Headstrong"

Controlled, moderate, plastic
Aware and openly perfect,
To know everything
And not see anything

Ingest completely impressive,
You wear the law as a jacket
It keeps you warm,
It keeps you warm

Chorus:
And I don't know what you've been told but it's wrong
And I can't hold you when you fall so headstrong
Headstrong, Headstrong

Good enough, how sure a foundation
Trip on, your graceful emotion
You remember it all,
Then cover it all

Chorus 2x

Bridge
