[verse]

Strangely out of place
There's a light filling this room
Where none would follow before
I can't deny it burns me up inside
I fan the flames to melt
Away my pride
Do I want shelter from the rain
Or the rain to wash me way?

[chorus]

I need you, I need you, I need you
I need you, I need you, I need you
You're all I'm living for

[verse]

I might sound like a fool
But I think I felt you moving
Closer to me
Face to the ground
To hide the fatal cut
I fight the weight
I feel you lift me up
You are the shelter from the rain
And the rain to wash me away

[chorus]

I need you, I need you, I need you
I need you, I need you, I need you
(All I'm living for)
I need you, I need you, I need you

You're all I'm living for
All I'm living for
You're all I'm living for

[bridge]

Face to the ground
To hide the fatal cut
I fight the weight
Feel you lift me up
Can't deny it burns me up inside

I fan the flames to melt away
My pride
Only had a second to spare
But all the time in the world
To know you're there
You are the shelter from the rain
And the rain to wash me away

[chorus]

I need you, I need you, I need you
(All I'm living for)
I need you, I need you, I need you
(All I'm living for)
& I need you, I need you, I need you
You're all I'm living for
All I'm living for
All I'm living for
All I'm living for
You're all I'm living for
