Dear God, surround me as I speak
The bridges that I walk across are weak
And the frustrations fill the
Void that I can't solely bear

Dear God, don't let me fall apart
You've held me close to You
But I have turned away
And searched for answers
I can't understand

They say that I can move the mountains
And send them falling to the sea
They say that I can walk on water
If I would follow and believe
With faith like a child

Sometimes when I feel miles away
And my eyes can't see your face
Well, I wonder if I've grown to lose
The recklessness I walked in light of You

They say that I can move the mountains
And send them crashing to the sea
They say that I can walk on water
If I would follow and believe
With faith like a child

They say that I can move the mountains
And send them crashing to the sea
They say that I can walk on water
If I would follow and believe
With faith like a child

They say that love can heal the broken
They say that hope can make you see
They say that faith can find a Savior
If you would follow and believe
With faith like a child
