Arms nailed down  
Are you telling me something?  
Eyes turned out  
Are you looking for someone?

This is the one thing  
The one thing that I know

Blood-stained brow  
Are you dying for nothing?  
Flesh and blood  
Is it so elemental?

This is the one thing  
The one thing that I know  
This is the one thing  
The one thing that I know

Blood stained brow  
He wasn't broken for nothing  
Arms nailed down  
He didn't die for nothing

This is the one thing  
The one thing that I know  
This is the one thing  
The one thing that I know

This is the one thing  
The one thing that I know  
This is the one thing  
The one thing that I know
