It's a little bit  
It's a little bit late to  
Try for something better

It's a little bit  
It's a little bit late to  
Try to cut the anchor  
So if you wanna know  
I'll go there with you  
I'll go there

It's when I think to reach across those battle lines -  
Still love in the hard times  
Sometimes I just wanna feel your hand in mine -  
Still love in the hard times

It's a little bit  
Just a little bit tired  
To find something better

And the worst of it  
The worst of it is I  
I think of you more than ever  
So if you wanna go  
I'll go there with you  
I'll go there

It's when I think to reach across those battle lines -  
Still love in the hard times  
Sometimes I just wanna feel your hand in mine -  
Still love in the hard times

It's when I think to reach across those battle lines  
Still love in the hard times  
Sometimes I just wanna feel your hand in mine  
Still love in the hard times
