In open fields of wild flowers
She breathes the air and flies away
She thanks her Jesus for the daises and the roses
In no simple language
Someday she'll understand the meaning of it all

He's more than the laughter or the stars in the heavens
As close as a heartbeat or a song on her lips
Someday she'll trust Him and learn how to see Him
Someday He'll call her and she will come running
And fall in His arms and the tears will fall down and
she'll pray

I want to fall in love with You
I want to fall in love with You
I want to fall in love with You
I want to fall in love with You

Sitting silent wearing Sunday best
The sermon echoes through the walls
A great salvation through it calls to the people
Who stare into nowhere and can't feel the chains on
their souls

He's more than the laughter or the stars in the heavens
As close as a heartbeat or a song on our lips
Someday we'll trust Him and learn how to see Him
Someday He'll call us and we will come running
And fall in His arms and the tears will fall down and
we'll pray

I want to fall in love with You
I want to fall in love with You
I want to fall in love with You
I want to fall in love with You

You
You

It seems too easy to call You, "Savior"
Not close enough to call You, "God"
So as I sit and think of words I can mention

To show my devotion

I want to fall in love with You

I want to fall in love with You

I want to fall in love with You

I want to fall in love with You
