Empty again
Sunken down so far
So scared to fall
Might not get up again

So I lay at Your feet
All my brokenness
I carry all of my burdens to You

All of these things
Held up in vain
No reason, no rhyme
Just the scars that remain

All of these things
So much afraid
Scared out of my mind
By the demons I've made

Sweet Jesus, You never ever
Let me go
Oh, sweet Jesus, never ever
Let me go

So happy to love
Yet so far to go
You lead me on to where
I've never been before
(Aaa)

All of these things
Held up in vain
No reason, no rhyme
Just the scars that remain

And all of these things
So much afraid
Scared out of my mind
By the demons I've made

Sweet Jesus, You never ever
Let me go

Oh, sweet Jesus, never
Let me go

No no no no no
Sweet Jesus, You never
Let me go
