

Jars Of Clay "New Math"

Visit "[New Math](#)" on MotoLyrics.com

Lost inside another argument
But that's not what I meant
Equals complement
And what I said just wasn't right
So I brought it to your attention

(Chorus)

I'll be there when we finally make sense
When we give up our defense
Wouldn't want it anyway

These apologies are dentistry
If you're pulling teeth take a few from me
Cuz I can't kiss my pride goodnight
Watch the sun go down and still be right

(Chorus)

Wouldn't want it anyway
Wouldn't want it anyway

(Chorus)

Wouldn't want it anyway...
