Is life in vain?  
Are we ghosts rattling chains?  
When we get what we want  
Are the problems still the same?  
Cause my hands can't heal  
While I'm holding on so tight  
And my heart won't care enough  
To pick a better fight

Show me the beauty of a life  
Show me the beauty of a life  
Show me the beauty of a life

No greater love  
No greater love  
Can you say there's no greater love?

Is it still my turn?  
I think I'm the last one left to learn  
That the life I lose  
Is the least of my concerns

Show me the beauty of a life  
Show me the beauty of a life  
Show me the beauty of a life

No greater love  
No greater love  
Can you say there's no greater love?  
No greater love  
No greater love  
Can you say there's no greater love?

So show me the beauty of a life  
Show me the beauty of a life  
Show me the beauty of a life laid down

Show me the beauty of a life laid down  
Laid down  
Show me the beauty of a life

No greater love

No greater love  
Can you say there's no greater love?  
No greater love  
No greater love  
Can you say there's no greater love?

So show me the beauty of a life  
Show me the beauty of a life  
Show me the beauty of a life laid down
