Collapsing was much softer
Still falling always hurt
Only after sensing love
For always ever burned

Justified my folly
My affluent disguise
Removed revealing nothing
Nothing unforgiven lies, unforgiven lies

And no one loves me like You
No one loves me the way You do
No one loves me like You
No one loves me the way, way that You do

Touch the rose unfearful is to meet the thorn
Pierce the heart's emotion
And feel the emptiness no more
Emptiness no more

No one loves me like You
No one loves me the way You do
No one loves me like You
No one loves me the way You do

Took some time
To realize I've fallen

No one loves me like You
No one loves me the way You do
No one loves me like You
No one loves me the way, the way that You do

No one loves me like You
No one loves me the way You do
And no one loves me like You
No one loves me the way You do

No one loves me like the way You love me
No one loves me like, loves me like, loves me like You
do
No one loves me like the way You love me

No one loves me like, loves me like, loves me like You
do
