

## Jars Of Clay "Take Me Higher"

It took a lot to turn away  
Blood and water from one side  
It took Your eyes to stare me down  
It took the truth to set me free  
To set me free

Looking for a place to hide  
Waiting for the wind to rise  
My soul is waiting  
Looking for a place to hide  
I need a little peace tonight

Take me higher than the sun  
Yeah, You are the only one  
Take me higher than the sun  
Yeah, yeah

Around the ceiling of the heart  
Is where we feel the things  
That send us away  
To where the blind can see the stars  
So do you see the stars  
Do you see the stars?

Looking for a place to hide  
I need a little peace tonight

Take me higher than the sun  
Yeah, You are the only one  
Take me higher than the sun  
Yeah, yeah

Take me higher than the sun  
Yeah, You are the only one  
And You are the only one

Take me higher than the sun, yeah  
Take me higher than the sun  
Take me higher than the sun  
Yeah, You are the only one

You are the only one

You are the only one  
Higher than the sun

Take me higher than the sun  
You are the only one  
Take me higher than the sun  
You are the only one

You are the only one  
You are the only one  
You are the only one
