Thou lovely source of true delight whom I unseen  
adore  
Unveil Thy beauties to my sight that I might love Thee  
more  
Oh that I might love Thee more

Thy glory o'er creation shines yet in Thy sacred word  
I read in fairer brighter lines my bleeding, dying Lord  
Oh my bleeding, dying Lord

'Tis here whene'er my comforts droop and sin and  
sorrows rise  
Thy love with cheering beams of hope my fainting  
heart supplies  
My fainting heart's supplied

And ah too soon the pleasing scene is clouded over  
with pain  
My gloomy fears rise dark between and I again  
complain  
Oh and I again complain

Jesus my Lord, my life, my light, oh come with blissful  
ray  
Break radiant through the shades of night and chase  
my fears away  
Won't you chase my fears away

Then shall my soul with rapture trace the wonders of  
Thy love  
But the full glories of Thy face are only known above  
They are only known above

Oh come let us adore  
My bleeding dying Lord
