My wings don't sail me to the sky
On my own, these wings won't fly
And Jesus told me so
Still I'm not so sure that I know

Can't find no rest for my soul
Can't find no rest on my own
Jesus told me so
Still I'm not so sure that I know

Man, the trouble is
We don't know who we are instead
Man, the trouble is
We don't know who we are instead yeah

I'll keep runnin' the other way
My heart ain't built to stay
My heart ain't built to stay
And the world just ain't that way

Man, the trouble is
We don't know who we are instead
And man, the trouble is
We don't know who we are instead
We don't know who we are instead

My heart ain't built to stay
I said, my heart well it ain't built to stay
Jesus, He told me so
