I want to know why
I want to know
I want to know why
I want to know why
I want to know why
I want to know why

I never minded calling you a king
If that meant that I could count on you
To give me everything
I never thought to ask you
I always thought you knew
It was never my intention to question you

You never minded calling me a child
Well, I guess that's how I acted all the while
But you live through every tantrum
You see through every lie
Though they seem to be more common
I just wanted to know why oh why

Unforgetful you
Unforgetful
Unforgetful you
So unforgetful

I want to know why
I want to know why
I want to know why
I want to know why

You never minded giving us the stars
Then showing us how blind and unaware of you we are
You painted me a picture and showed me how to see
Though I just won't behold it
Unless it pertains to me

Unforgetful you
Unforgetful
Unforgetful you
So unforgetful

I want to, I want to, I want to
I want to know why
I want to know why

Unforgetful you
Unforgetful
Unforgetful you
So unforgetful

I want to know why
I want to know why
I want to know why
I want to know why
I want to know why
I want to know why

So unforgetful you
