I'm the only one to blame for this  
Somehow it all adds up the same  
Soaring on the wings of selfish pride  
I flew too high and like Icarus I collide

With a world I try so hard  
To leave behind  
To rid myself of all but love  
To give and die

To turn away and not become  
Another nail to pierce the skin of one who loves  
More deeply than the oceans, more abundant than the  
tears  
Of a world embracing every heartache

Can I be the one to sacrifice  
Or grip the spear and watch  
The blood and water flow

To love you, take my world apart  
To need you, I am on my knees  
To love you, take my world apart  
To need you, broken on my knees

All said and done I stand alone  
Amongst remains of a life I should not own  
It takes all I am to believe  
In the mercy that covers me

Did you really have to die for me?  
All I am for all you are  
Because what I need  
And what I believe are worlds apart, and I pray

To love you, take my world apart  
To need you, I am on my knees  
To love you, take my world apart  
To need you, broken on my knees, on my knees

I look beyond the empty cross  
Forgetting what my life has cost

And wipe away the crimson stains  
And dull the nails that still remains

More and more I need you now  
I owe you more each passing hour  
The battle between grace and pride  
I gave up not so long ago

So steal my heart and take the pain  
And wash the feet and cleanse my pride  
Take the selfish, take the weak  
And all the things I cannot hide

Take the beauty, take my tears  
The sin-soaked heart and make it yours  
Take my world all apart  
Take it now, take it now

And serve the ones that I despise  
Speak the words I can't deny  
Watch the world I used to love  
Fall to dust and thrown away

I look beyond the empty cross  
Forgetting what my life has cost  
So wipe away the crimson stains  
And dull the nails that still remain

Steal my heart and take the pain  
Take the selfish, take the weak  
And all the things I cannot hide  
Take the beauty, take my tears

Take my world apart, take my world apart  
And I pray, and I pray, and I pray  
Take my world apart, world apart
