Woke up this morning 10 O'clock or so
And my favorite song is on the radio
And my head still hurting from late last night
'Cuz my shorty did my braids too tight

Hop out the shower, throw my sweat suit on
Lace my Tim's, grab my sidekick phone
Look out the window, all the clouds are gone
So I call my boys, it's time to get it on

Right now, the mood is so right
(So right)
My game, my life so tight
(So tight)

We do whatever we like
This is for the radio
This is for the radio

This is for the whips with the chrome 2-0's
This is for the shortys walking down the street
In them low rider jeans hot like, "Oh"

This is for the radio
This one goes out to the G's on lock and six below
To everyone holding it down
This one's for you

Out on the street, everything is cool
Nobody tripping or acting a fool
There's Bar-B-Qs, dominoes
It's all good, up in the hood

We turn around and roll uptown
It doesn't matter that the sun is going down
Do the same thing that we did on yesterday

Right now, the mood is so right
(So right)
My game, my life so tight
(So tight)

We do whatever we like
(Can we get it poppin' tonight?)
Can we get it on tonight?

Right now, the mood is so right
(So right)
My game, my life so tight
(So tight)

We do whatever we like
Can we get it poppin' tonight?

Coolin' down, slowin' down
Life's to short to be uptight, so don't worry 'bout a
thang
We coolin' down, slow down, slowing down
DJ rock dis joint tonight, so we can do our thang, yeah
(We can do our thang)
