How come they're called adult movies
When the only thing they show is people making babies
filmed up close?
I'm feeling so much better since I learned to avert my
eyes
Now it's Disney time

Not in front of the children, fill their head with dreams
And hope to be like Bambi's mother and die off screen
So you can tell your children that everything's gonna be
just fine
Here in Disney time

At Easter and Christmas they granted us a view
Of a world so much better than the one we knew
Everyone can share the magic for 30 minutes at a time
Oh, here in Disney time

Oh, oh, oh, here in Disney time
Oh, oh, oh, here in Disney time
Oh, oh, oh, here in Disney time
