To revel in prostitute  
Came with new attitude  
Express all my distaste  
Command to an execute

Find new way of sexual intercourse  
Somekind of sexual abuse  
Caused whore's cunt are too large  
And my penis are too small

Fuck with fist  
Fuck with fucking fist!

You bitch, doesn't you enjoy it  
My fist already penetrate yet  
Now open your thighs wide  
Taste my fist like a dick  
Blood menstrual lubricating cunt  
Fist pumping disgusting hole  
Now I fucking you harder again and again  
Again and again!

You are stupid whore  
I smell your death on the air  
As stench out from your cunt  
Covered by the nasty beauty  
I will never kill you bitch  
Until my lust completed  
I will let you alive  
My prosaic pathetic whore

The pitiless feast on the pity face  
Pumping the hairless cunt  
Menstrual chunk melt by my fist  
Flamed desires drowned in lust  
Suck my cock while my fist penetrate  
I will not put my fist until I cum  
Blood stained the embedded hand  
Fist holing the stench

Don't swallow my sperm  
Let me cum on your face

Lick the bloodstained fist  
Eat your menstrual chunk!

Fist punched face  
Fist hole the stench  
Fist fucked feast  
Fist fucking the rest

Fist punched head, fist holed cunt  
Slowly torture in pain  
Fist fucked face, fist race on face  
Slowly torture in pain  
Fist carved the graceful lady  
Slowly torture in pain  
Fist fucked the disgusting hole  
Torned vaginal skin  
Pumped menstrual chunk  
Ripped the clitoral organ
