You gave me your love now you let me down again  
I'm trying my best to not lose my brain again

Don't mess with my heart like this  
I don't wanna lose the bliss  
I just wanna feel your touch  
Am I asking for too much

Chorus:  
Baby all the love in the world  
I'm saving it just for you  
Wake me up in the night  
Bring me into your life

Just tell me the words that I have to say to you  
Just sing me the songs you want me to play for you

My heart is an open book  
And it says between the lines  
That I will be there for you  
The one to make you shine

Chorus:  
Baby all the love in world  
I'm saving it just for you  
Wake me up in the night  
Bring me into your life
