I am waking up at 03:00 at night  
Dreamed that somebody weeps  
I am walking through a silent house  
While my family sleeps Entering a stream of wild and  
naive fantasies  
Am I drifting far away from reality

Chorus:  
The vision of one land  
The picture of all men  
Walking hand in hand  
Forever  
Let the desert rain  
Free the slaves in chains  
Let the weapons stain  
Forever

I am waking up at 03:00 at night  
It's burning under my feet  
I am staring at the morning skies  
While the world is asleep Some clouds are passing by  
like Greek gods in disguise  
As they lead me through this magic sunrise

Chorus:  
The vision of one land  
The picture of all men  
Walking hand in hand  
Forever  
Let the desert rain  
Free the slaves in chains  
Let the weapons stain  
Forever

Heaven how I wish I could change the world  
But I feel so small tonight  
Is there anyone that can see me now  
That can hear me cry

Chorus:  
The vision of one land

The picture of all men  
Walking hand in hand  
Forever  
Let the desert rain  
Free the slaves in chains  
Let the weapons stain  
Forever

No more scream and shout  
Those who're talking loud  
They will shut their mouth  
Forever

No more smoking guns  
No more hit and runs  
Peace in everyone  
Forever
