Too old for crying
Too young for giving up on love
Do you feel the same
Do you ignore the pain

Too wild for staying
Too scared of breaking up again
Do you feel the same
Driving off the lane

Somewhere in my head I see a red alarm
Baby now I long to fall into your arms

Chorus:
Could you be my saviour
Could you be the one I'm waiting for
Could I be your sailor
Who is coming home for evermore

Too square to compromise
Too blind to tell what's right from wrong
Where do I belong
Underneath the sun

This time I really think I've lost my mind
And it's a shattered world I left behind

Chorus:
Could you be my saviour
Could you be the one I'm waiting for
Could I be your sailor
Who is coming home for evermore
