Sometimes we bite
Sometimes we fight
Learning to love the hard way
Although we bend
Easy to mend
Here by the end of a Wednesday

Don't get me wrong
My love is strong
Nobody else compares to you
Sharing my life
That's how I feel tonight

Chorus:
'Cause I love you as you are now
And I promise you forever in time
You will own this heart of mine

Now when I kiss
The person I missed
Standing beneath the stars
You don't have to ask
If we're gonna last
Baby you sealed my heart

Now I believe
You're all that I need
No one can drag me away from you
You make me sing
You don't have to change a thing

Chorus:
'Cause I love you as you are now
And I promise you forever in time
You will own this heart of mine
And I promise you forever in time

You and I together
Are standing twice as strong
You and I forever
The two of us just can't go wrong

Sometimes we bite
Sometimes we fight
And baby it feels so right
