I need you, you need me
We're all a part of God's body
Stand with me, agree with me
We're all a part of God's body

It is his will, that every need be supplied
You are important to me, I need you to survive
You are important to me, I need you to survive

I need you, you need me
We're all a part of God's body
Stand with me, agree with me
We're all a part of God's body

It is his will, that every need be supplied
You are important to me, I need you to survive
You are important to me, I need you to survive

I pray for you, you pray for me
I love you, I need you to survive
I won't harm you with words from my mouth
I love you, I need you to survive

It is his will, that every need be supplied
You are important to me, I need you to survive
