be strong
if you are

i cant imagine
what life would look like without you
be strong
i know you can be strong

being strong is gonna be touch
but always remember it'll help you live
being strong is such a big way to be in life
ohh be strong and ill love you
not many people would tell me
to be strong
well i am so yeah
my mistakes in life what should ido
one part of me is dead
the other half is alive
oooo
be strong i can bring a few goodies in for you
to help you get well
be strong

(be strong)
(be healthy)
(be true)
(believe you can be strong)
(be strong)

be strong don't lose you're falth
my innocents don't prove i can be well
all my life my mistakes are gonna stress me out
oooooo

be strong
be true
be healthy

it's so out of control
not so many people
