When they call your name
Will you walk right up
With a smile on your face
Or will you cower in fear
In your favorite sweater
With an old love letter
I wish you would
I wish you would
Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends
They're all full of shit
With a smile on your face
And then do it again
When you're walking downtown
Do you wish I was there
Do you wish it was me
With the windows all clear
And the mannequins eyes
Do they all look like mine?
I wish you would
You know you could
Come pick me up
Take me out
Fuck me up
Steal my records
Screw all my friends
They're all full of shit
With a smile on your face
And then do it again
