when you say you love me
do you mean it
i'm so tired i'm so quiet
i'm just so sick bored
feeling like i can't move
don't cry
cause you're in a bad way
please just be positive
and be strong
it's the only way
you'll get better

my strength isn't strong
believe me i can get mad
if my life style changes
my body will feel different
my food change
just will be a new different change
in my life

don't cry
cause you're in a bad way
JUST BELIEVE IN MY WORD
don't tell me you're not strong enough
my life without you is weak
there's no me without you
i am like the word
of lazy old mean person
ooo i know that's not true
and you're everything to family
don't cry cause you're in a bad way

hang in there
i want you to know you're in my heart
always never let out don't go letting
yourself down because you're in a bad way
ooooooooo
don't cry

if you cry i'm out of here
i'm trying to help you

and you're turning back away
please change
please don;'t cry
