do you remember when you were 7  
and the only thing you wanted to do  
was show your mum that you could play the piano  
ten years has past the won thing that will last is that  
same old song  
we played along made my mumma cry

da da da da da da da da  
seems i'm lost in my reflection  
da da da da da da da da  
find a star for my direction  
da da da da da d a da  
for the little girl inside who wont just hind  
dont let me see mistakes and lies  
let me keep my faith and inncont eyes

do you remember when you were 15  
yes i do and in fact i remember  
when the kids at school calle dme a fool  
cause i took the chance to dream  
ten years has past the one thing that might last  
is that same old song we played along made my daddy  
cry

da da da da da da da da  
i'll sing da dada da daoh hh yeah !

under my feelings  
under my skin  
under the thought ohhh from within  
learning oh the subtext of the mind  
see creation how were see

my innocent eyes

da da da da da da oh1 innocent eyes
