just a little stronger

than yesterday
i feel inside is running away
i feel life is changing for me
i feel so weak n than i feel so strong
just a little stronger than yesterday
just a little bit stronger than yesterday
i feel within is running running away

i feel everyday will always be different
i hope that you see it too
i hope u see me changing ccause it will mean alot
look on the bright side lplease
just a little stronger than yesterday
i believe nothing can parted a family apart
mine is born to love n stay together n i am so happy i
got a famil y like i have now
just a little stronger than yesterday
just a little strong than yesterday

just a little bit braver
just a little stronger than yesterday
babe i hope you see something in me that you like
my family n i love eachother
we're really good with eachother

just a little stronger than yesterday
just a little bit braver
just a little stronger than yesterday
babe just a little bit braver !!!!!!!!!!!!!!! ooo yeah oh
oooooooooooojust a little stronger
than i thought i could become becoming so amazing
latly i cant believe i am changing
just a little bit braver just a little stronger than yestrday
yeah
