"Lets Sing"

Visit "[Lets Sing](#)" on MotoLyrics.com

lets sing a song to our friends and family
lets play our games in love we pretend theres
a feeling for some one
how lame are we
pretending try to makea laugh oout of it

lets sing a pome to our friends
lets perform a dance
lets play the piano
oooo
lets sing and dance
lets play music

let's listen to my singing voice
don't laugh
don't even go away
dont try to walk away

my inside is so oh week
i thought by now
i could of done something about it
ooo lets perform my song
show me show me the way
show me that i will do great
show me letss ing a song
lets sing pop or rock
ooo letss sing
!
