moments with you make me cry for some reason
moments with you are like a dream
moments moments
when i'm down you're always with me
moments with you make me cry
moments with you are like a dream

moments with you can be like eachother time
moments with you make me feel so wonderful
to you you say you're the girl i always wanted to have
moments with you make me wonder if i am the most
luckest girl on the eartg
moments with you are like a dream
moments with you are so true
moments with you make me cry for some reason
moments with you are so truly wondeful
moments with you are like every girl dreams

oh oh ooooooooo moments is tay alone with u
make me feel so lucky n specail
moments with you moments with you !
