\* A day like today  
can never forget  
my open eyes  
can't see everything  
it wants too

A day like this  
i'm never gonna forget  
my open eyes  
can't see everything  
it wants too  
wish life was the way i except

wish i could know before  
i'm now logging on to my password  
to my secret past  
i'm looking for a answer

a answer for me to know why i'm so this way  
i get memories of me selecting the wrong  
person and end up in a bed beting up

wish i could of knowen before  
i'm now gonna log out of my past  
and find a new begiining  
wish that life would go my way  
wish i could know before

i'm now gonna log out of my psat  
try to find a new beginning  
a beginning of life  
ooooooo

wish life was the way i except  
wish i could compromise us  
ooooo  
i need to find a new begiining  
my past just won't last  
i'm losing my mind with it still there...  
my world is normal  
my life is such a wonderful thing

finding a new beginning isn't easy  
getting rid of my ppast is hard  
it's out of control  
it's taking over my new me

finding a new way  
find a new me in just a short time  
losing control over my past  
Ohhhh

i'm gonna forget my past  
move on compromise us  
we can work this out together  
i'm trying to find a new begining  
so soon!
