mmmmmm mmmmm
i say that i am okay
means go away
i'm alright don't worry
please it gets worried myself
my strength just dosen't work so well

the days this year have flew
i hardly enjoy much theses days
wish i could feel something inside strong
i am in love i am not saying who with

the tears that come down my face
are no different to no tears
i am always strange
i walk in the class room
feel who am i who is this walking in
ohhh
the tears make me face weekness i feel so lost
i don't know who to talk tooo
theses days i am a boring person
oooo

my inside is week
but it's so wonderful loving
i am a caring person
just always hard
oooooo
mmmmmmmmmm
theses day i believe life is short
i just need a friend that understands
me i wish my life wasn't so difficult
if things change i'd be a different person

oooooooooooooooooooo
my friends they don't hear what i say
i never listen cause i have no interests
why is this happening to me
at ssuch a young age
i am so uncreative theses days
oooooo

theses days i believe have flew away
it's nearly the end of the year
ohh there's gonna be a big change
i feel it telling me

people say i am stroong
they say i can change
they say i can just be easy
they say i can talk to them
only if i think before i say OHHH
