my soul my mind
my world my destinys
my faith my trust
what can i do i without my faith
my trust is inportent
i cant wait to see a new me
in life i am this beautiful inside
no-one can believe

my soul is so smart
my faith my trust
my world my family
my sweet destiny

my inside is so wide
my outside is so small
my eyes are so big
they can catch lots of distants
oHHH!H!HHHHHHHHHHH
my life my world
my smile my body
my hands my destiny
my faith my trust
whole i can't live if i can't sing
what can i do?
