All I ever do is think of you"  
Day and night  
can't get you off my mind  
Let's just look at the reasons  
For a few minutes

My life would be dust if there were no you  
All I ever do is try to understand you  
All I ever wanted was to know what it was like  
To be with you

I know I'm not what you expect me to be'  
But I feel looks aren't always what matters..  
I didn't know what to do when I found you  
I thought I really found true love  
But it turned out wrong

All I ever do is think of you"  
Day And Night  
can't get you off my mind  
Lets Just look at the reasons  
For a few minutes

I feel the first time i saw you  
I found my true love'  
Oh it turned out wrong

Oh how could I of done such a thing  
I walked through darkness' I kept myself strong  
I still believed' I'd never get a chance with you

I feel the first time I saw you  
I found true love'  
Oh it turned out wrong...

All I ever do is just believe  
That tomorrow will be My day"  
forever..
