Always Wanted

this thing we have, I've always wanted
I've always wanted to be this way
and finally it came my way
now what can I do to make it stay the same

I've always wanted things never to change
I hope I get a moment to spend with you
cause all I ever do is think of you!

I've always wanted things to come and go
I've always wanted that hurt to fade
and I' would just feel alated by

I never want this dream to go
I always want it to be there
where I know I can see it
where I can see it

I've always wanted a day
where I could share , love
and just feel like I have been
the best all along!

I've always wanted things to come and go
I've always wanted that hurt to fade
and I' would just feel alated by

i'VE ALWAYS wanted to go back to being young e
but then I used to wonder what it would be like
to be old , oh our minds from young e age

I've always wanted a day
where I could share , love
and just feel like I have been
the best all along!

I've always wanted this to never end
but sometime It will cause where'
not gonna be in the same place forever!
