Beautiful Me "Lyrics+

I thought we were both on the same thought"  
I think your a person who is very confussing  
and not very healthy how can i stand you

you put me into a really dark place  
you held me and promised me  
you wouldn't do anything wrong  
here i am complaing

oh how could you do such a thing like that  
don't think i don't know because you know i do

through your eyes i see happiness between us  
as i look in the mirror I feel freedom And i see  
beautiful me ( beautiful me )

oH thiis song where did it come from?  
Oh this Love i have for you will it ever stop hurting?

you put me into a really dark place  
You held me and promised me  
you wouldn't do anything wrong  
here i am complaing

oh this song where did it come from?  
oh this love i have for you will it ever stop hurting

will i ever be as good as you are  
will i learn sometime how to look afer myself?

through your eyes i see happiness between us  
as i look in the mirroe i feel freedom and i see  
beautiful me ( beautiful me )

Through your eyes i see happiness between us  
as i look in the mirror I feel freedom and i see  
Beautiful me ( beautiful me )

Will i ever be as good are you are?

will i learn sometime how to look after myself  
Will I see truth"through you on the long run

can't know until we find a way to search the answer"  
We are looking for do you love me as much as i love  
you?  
I askk but then all i see is beautiful me left in the end"
