it's almost christmas..
i'm very excited
i can't wait til that morning
when we wake up
and see so much under the christmas tree

it's almost christmas
and i'm very excited
as i walk out onto the streets
and see christmas lights
i get too over excited

it's almost christmas
it's summmer time
it's boiling hot
soon i can't wait til it's winter
then we don't have to feel the heat
burn on our skin..

it's almost christmas
and i'm very excited
as i walk out onto the streets
and see christmas lights
i get too over excited
when i talk about christmas
i start to feel excited

christmas is about family together
christmas is about god and happy heathy familys
christmas to me is shopping buying lots for everyone it
make's me so happy to see everyone happy i was so
delighted to see family on the speical day called
christmas

it's almost christmas
and i'm very excited
as i walk onto the streets
and see christmas lights
i get over excited

christmas makes me feel happy

when i get to see family again..
it's almost christmas.
i'm like it's almost christmas
i only have a few sleeps and
then it's time to open up gifts

(almost christmas)
