do you mind that was my preicous seat  
i was in the middle until you walked  
through that door what is complety wrong with u  
are u in a mood so anger.....  
do youmind

do you mind if i can have it back  
do you mind if i just tell u off  
for taken my seat  
a preicous thing that was mind  
stolen the soul the heart  
what could we do wihtout it

do you mind if i just get the winner down  
knock me down and i'll do the same  
hope you don't mind a sent

a message put inmy mail box  
can't figure what is was about  
do you mind if just cut out the hate

do you mind if i turn fate into the unknowen  
do you mind if i learn real slowly ///

do u mind  
do u agree here that i should knock down  
the hated fear and the part where u could die..
