dream on  
dream on  
dream on  
dream on  
back ground ...

you and me in a dream  
together forever  
i aslways wanna be by your side  
you know i've got nothing to hide ( alright )

for you i pray everyday  
listen boy hear me when i say  
how i'm feeling can't you see  
don't you want me

dream on when the love is gone  
everytime your down you've gotta move on  
dream on when the love is gone  
you've always gotta move on

i will always believe  
where two of a kind  
and i only wanna see you everytime  
i'm waiting for the world to be mine ( alright )

dream on when the love is gone  
everytime your down you've got to move on  
dream on when the love is gone  
you've got to move on

dream on when the love is gone  
everytime your down you've got to mov eon

.....

dream on  
dream on  
dream on  
drem on  
back ground...
