Do you ever get the feeling called lost ?  
have you ever felt caught in emotions before?  
i have and sometimes it eats into my soul ..  
want chances still their even if i grow old

when i'm young i feel like i dont have to move  
but really if i dont i can grow and not be able to move  
again  
cause i never go out do nothing ...

i used to be friends with a girl  
that felt so alone she had so much  
to do before it was the end of her time

life seems beautiful  
and what you are to me  
is amazing.....fairy tale

i used to be friends with a girl  
oh so little she was intellgent  
and i was just an orangal girl  
so individual and strong...  
i can be more then just what you think

sometimes i feel not strong  
sometimes i feel weak  
all i ask is that you treat me  
differently people in the world today  
have changed i stop following others for a change  
want a friend that knows me and understands  
how can i be strong if you turn your back on  
me?????????????
