my heart is fragile  
my inside is weak  
i got inside a fragile heart  
my eyes can't see everyone  
but all i got inside is a fragile heart  
no one has a heart shaped like mine  
my fragile heart is always standing there  
and tearing my chances up

it's raining my heart feels fragile  
at the time i lost words fragile heart  
it's always broken i gotta inner strength  
but all i am now is fragile. ....  
i sometimes got to make this work  
my fragile heart always fragile never stops  
the feeling called fragile fragile heart  
so easy to break my heart  
so fragile want the fragile heart to be strong  
and glue the strength on....

fragile heart... inside a fragile heart  
always taking me inner a way i can't stick with  
a bad bad fragile heart...
