Take it without a frustrations
don't make me scream when I am not in the mood to
can't you see that I am who I am '
if you don't like it then go away

cause I am who I am
and I love who I love
and I do what I do
so Don't comment about it

Hold My Hand Without tears running down you face for
once
let me feel free to run you over like a dead animal
I don't want to be treated like I don't igist please
understand

cause I am who I am
and I love who I love
and I do what I do
so don't coment about it

don't make me scream right til the roof falls
I wanna make it right, don't want to bring
something that's not welcome
do you understand yet?

cause I am who I am
and I do what I do
I love who I love
I scream when I want
I do what I want when I want
get it right!

Take it without a frustrations
don't make me scream when I am not in the mood to
can't you see that I am who I am '
if you don't like it then go away
