Ohh" Feeling Like I'm In A Happy Hour
Ohh"" Lost Confussion felt distracted
Not A Single Time i've seen you
in A different mood you never change

Ohh"feeling like i'm in a happy hour
Ohh" Lost confussion Felt distracted
By oH such an Desprit person for attention
OHh this is'n't gonna work it's never gonna bout me
But I feeling in a happy hour

Not a single time i've seen you
In a different mood you never change
I've tried to let you know You're always welcome
