Hiding away

The colours today have changed
Ever since I've come to you
All there use to be was black and white
In my dreams are you there standing around
Like it's any other normal day
In my heart are feelings for you
Hiding away with my soul

Do you know what it's like to be pushed around?
And feel left alone I've had that for such a long time
I've had dreams where I've felt like running away
Because of it sometimes it feels extraordinary
I'm sorry to say but that's what I feel

Sometime you got to admit that I'm special
Don't treat me like I'm not a real person
Because you got to learn that I am

Chorus

The colours have changed
Ever since I've come to you
All there use to be was black and white
In my dreams are you there standing around
Like it's any other normal day
In my heart are feelings for you
Hiding away with my soul

Don't you wish life would be the way you accept it to be?
Don't you get it yet I say that today
Could be one of those unsuitable days for you
Uncontrolled and sadness days the ones that
Are related to your negative thoughts
Don't you hate being in pain everyday of the week
I feel so sorry for you you got me to keep you strong

In my heart are feelings for you
Hiding away with my soul
