### "Holding onto"

holding on to good thoughts  
holding on to your last word  
finding things different  
finding so much out of place

holding onto your hand  
for a reason  
i'm way seasons out of time to be

nothing is something to me  
there's one girl i've always knowen very well  
and there's so much she taught me  
now i can thank her in this song

holding onto the secrets  
forgiven and forgetting the mistakes  
forgeting the pain the sick the darkest hours

feeling like dust 2day  
it's so hard to tell  
how i feel i feel unfocus  
i feel this is not me  
i feel that i can never be the way i'd love 2 be  
thinking like this is no good  
don't you think
