i am what i am  
there's no time trying to change us all  
cause the world could end before we got our chance  
oh i am what i am  
except that i'm just me  
( just me )  
( just me )  
( just me )  
bells ringing  
till i wake up)  
some unknown reason  
( i believe that you should move on )  
and except i am what i am )  
ohhH! bells ringing  
till i wake up)  
oh what's going on)

whats going on)  
there's no time for silly members  
making laughing jokes  
there's no time for you to realizee  
that you made you're mistake  
very qickly oH!  
( bells ringing  
till i wake up)  
till i reAlize what i've done  
oh i am what i am)  
i am a person who  
just dosen't know much) ooooo  
not no much)

background voice  
not know much)  
bells ringing  
till i wake up)
