I can't tell
I can't tell if what i feel is real
i can't see the feelings
I just know something is there

I can't tell weather or not i'm ill or well
it's like i'm mixed up always
It seems like were too young
to know the answer to our problems

I can't tell if what i feel is real
I can't see the feelings standing there
I just know something is there

It's like i can't tell weather or not i'm ill or well
It's like i'm mixed up always

It Seems like were too young
Toknow the answer to our problems
we all seem to have

I can't tell I can't say

It's like i can't tell weather or not i'm ill or well
It's like i'm mixed up

IT's like were too young
to know the answer to our problems.
