Do you dream about me everyday?
well i dream about you day and night . i dream
that me and you had everything we
ever both wanted and that was
no fusterations. when i'm with you
i know that i'm safe baby

(baby)

when i have a bad day just love to
hug you and just make you smile
i like to make myself smile it's
so easy to explain why i love you so much
(baby) do you dream about me everyday?
do you dream about me everyday?

I want to be seen, i want all my dreams to be real
I wanna be famous I wanna be loved I wanna be shown
to the whole wide world (baby) do you hear me ?

I want to be seen, i want all my dreams to be real
I wanna be famous I wanna be loved I wanna be shown
to the whole wide world (baby) do you hear me?
do you hear me ? this is me nothing can change that
just help me chase after my dreams...and that's to be
seen.
