back then

since i become this way

i got out of habbits

habbits i couldn't control

i use to hate who i was

i use to wright so nective

i had hate all over me

i just laugh at who i was back then

if i could turn to a nother wold

and i forgot who i use to be

i'd be sadisfid

tell me all your laughing jokes

i want to hear them i just want to get

out of the hate and all the anger and emteyness

i just laugh at who i was back then

you know that tommrow at mid day

could be something unreal hapen

if you follow me right then you'll

be there prepeared right ohhh

since i become this way

i've got out of habbits

become so mature oh it's

very weird i find me inside a different person

yeah ohh

if i never lied i;d be alright

if i never was hurting i could run

instead i broke something i will need

if i'm in danger .
