Imposable

What I see sounds like it's going to be imposable  
Ingrid able but very outrageous  
I'm not so sure I trust what I hear  
To me sounds related to dangerous

Because it sounds very imposable to  
Sail around without any pennies on us  
Are you mad at me I don't want to be blamed?  
For not wanting that trust

That was standing at our door way of life  
I'm trying to make things better between us  
Without any fights 'can't feel hurt once again

I was made to be with you  
I was made to sound imposable  
I was born to feel untrue' in this world

I was born in darkness  
I was born with fear  
I was born weak

Because it sounds very imposable to  
Sail around without any pennies on us  
Are you mad at me I don't want to be blamed?  
For not wanting that trust
